Minister's Message

DR. MARIANO DI GANGI, SENIOR MINISTER

Knox is far more than an historic building with boards and budgets. It is a family of members and adherents who experience worship and enjoy fellowship together. This Directory will help you put names to faces, and so enhance a sense of community in our Church.

*- Dr. Mariano Di Gangi
Senior Minister, Knox Church*

*Assistant
Minister's
Message*

DR. ALEX MCCOMBIE, ASSISTANT MINISTER

The characteristic that dominated the early Church was love. As the society of that day viewed the early followers of Jesus, they saw a demonstration of God's love in action. They wondered, and marvelled, and said "see how they love one another."

How badly we need that love today! The world situation appears so hopeless, with a maze of problems caused by man's inhumanity to man. The systems of our society are breaking down, causing people to be suspicious, doubting, and hostile to one another even within the Church of Christ and there is a notable lack of concern and love.

The need, then, is to bind ourselves to Jesus, the Saviour; to return the love to Him that was expressed so clearly at the cross; and, as a result, to obey His command "to love one another." This means to be the expression of His love as we bind ourselves together in the fellowship of Knox.

May that be the purpose of a pictorial directory such as this: to help us to know one another by putting a face and a name together; to help us to pray for one another, and for our needs, as we visualize each member and friend of Knox; to help us to reach out to one another for the sake of Jesus Christ, and to commend one another to His goodness and grace.

With every good wish and the warmest of Christian greeting.

I remain,
Sincerely

Dr. Alex McCombie
Assistant Minister
